Engineering

Supply Chain

Sales & Marketing

What to expect?

Aerospace Meetings Tunisia is a platform to support individuals and companies to achieve key business objectives by facilitating networking opportunities with the industry. Professionals will be able to enjoy a well-curated program including:

B2B MEETINGS

Using our partnering platform participants will meet each other during 30-minute pre-qualified one-on-one meetings organized prior to the event.

This is the most efficient way to identify and connect with potential business, research and financial partners.

WORKSHOPS

Want to know more about a specific topic? Make sure to check out the list of workshops available during AM Tunisie. Get fresh insights, learn new things and connect with the industry experts.

CONFERENCES

Keep up with the latest industry trends, increase your knowledge and get inspired with a full day of high-level content.

EXHIBITION

Showcase your latest innovations and connect with decision-makers and industry peers.

NEW! The **Made In Tunisia Pavilion** will feature local companies to showcase their latest products and technologies throughout the event.
